I forwarded the court's order to Mr Harley. He is not happy and has asked me to send a letter to the Court withdrawing from the case. I suggested that he send the Court a letter asking for new counsel . He refused to do this. Is it possible for the court schedule a hearing to be attended by mr Harley and I to attempt to resolve this matter. The case is scheduled for December 3.
Thank you

Mr. O'Brien:

The Judge does not see any value in having a hearing. He doesn't envision how he can help to resolve Mr. Harley's displeasure with his decision.

I think his displeasure is with me . He has asked me to withdraw but I see no reason to do so . Perhaps the judge might want to consider this issue. Also he may ask to represent himself.
